

# Member Interest Survey

## General Instructions

This is a questionnaire designed to find out what things might interest you. The information you supply will be part of a database that will allow us to quickly locate individuals and families who are interested in particular areas. Please be aware, however, that this is not a request for you to volunteer. While we ask if you might be willing to help, please do not think that this is a commitment from you to serve on any particular group or team. Again, we are seeking only to determine what things might interest you.

A form is supplied for each member of the household. We would appreciate everyone completing one of these forms to the extent that they are willing and able. We may use data from the Member Information Sheet to compile directories but any information you do not wish us to print will be omitted. Occupational information is optional but having it will allow us to more clearly understand your talents.

Thank you again for taking the time to fill out this important questionnaire. Please return it to us as soon as possible. If you're mailing, our address is UUCS, 234 N. Sharon Amity Rd. Charlotte, NC 28211.
